The Tatler

Mary Ann Sorrell and Helen Sorrell

Mary Ann,

Well, this is my senior year and I have enjoyed it very much. You have played a big part in my enjoying it and I will never forget it. You are a sweet, cute, and very deserving person and I know you will be a success in all you attempt to undertake. Make the very most of your high schools days because they are a very important part of your life.

I have only known you for only a few years, but I will always treasure every moment of it. Next year when I'm at W.C. I want you and Bonnie to come up to see me. Oh, you better write me too because I will be very homesick.

Be good, study hard, and don't snow all the boys. May God bless and keep you always.

Love,
Brenda Parker

P.S. I know you will make a good treasurer for the F.H.A.

Mary Ann,

Well, ole girl, I'll soon be leaving this place. I know you're looking forward to the time that you will. Three years seems like a long time now, but the time will just fly. You better take advantage of them, because they're the best of your life. You have really made an excellent start in high school - being 2nd in your class and treasurer for the F.H.A. Just keep up the good work!

I've really enjoyed being in Glee Club with you. Boy, we've had some rough times with the dear director, haven't we? It's been a lot of fun, though.

I know that with your sweet smile and cute personality you'll always be the most popular girl in the country! Keep that good blood flowing!!

P.S. You better go see me at St. Mary's.

Love,
Bobbi

Mary Ann,
It's been a pleasure to know such a friend and classmate. I'm gonna miss you next year when I'm at A.C.C. You'll just have to plan to come up and stay with me a week-end. Please keep B.H.S. lively until we get back. Always keep that smile and that wonderful personality and you'll go far in life. Always remember me as a friend — Love ya,

Shane
"Joe"

Love ya,
Judy

Helen,
I think you are the sweetest and cutest girl I've known. Boy! We've had some good times together just laughing. I guess you remember. You are a very good friend of mind and I hope it stays that way. Wish you lot of ~~to~~ luck.

Love ya!!
Yvonne

Helen
I have certainly enjoyed being in your room this year. You are a very nice and sweet girl with a great personality. With the desire you have I am sure you will succeed in life and anything else you do. Good luck and the very best of wishes!

Principal's Message

SENIORS OF 1963:

We are again reminded of the fact that it is Graduation Time. Classes come and go as a part of the usual routine of school life. However, it seems that your class is worthy of some special recognition and commendation. We have observed that your class possesses the following attributes in varying degrees:

1. Many of your members have made outstanding scholastic records. This is indeed commendable. Intellectual growth and development is the primary purpose of all classroom instruction.

2. Your class, as a whole, has shown a commendable spirit of cooperation and good citizenship. This quality will certainly be needed in the years ahead.

3. Several of your members have shown keen interest in the various activities of the school. This interest has helped to develop well-rounded students.

4. Many members of your class have shown a deep interest in the development of the moral and spititual values of life. Certainly, the development of these eternal values form the foundation upon which all worthy living rests.

The above traits, shown by many of your class, are the traits necessary for useful and devoted lives. I commend the development of these traits to all members of your class. These are the characteristics so badly needed for a world trying to find the way of The Prince of Peace.

Best Wishes to Each of You,

Wm. J. Barefoot

Class History

In September of 1959 there entered Benson High School a group of anxious, wild-eyed freshmen. After much work and many good times, this class was to become the graduating class of 1963. The original number of students in our class was more than ninety, but after four years the total had dropped to sixty-five.

Our freshman year started with our trying to become accustomed to the high school routine. During that year we did little other than collect class dues and elect our officers who were Ethelene Moore, president; Randy Eason, Vice President; Jean Stevenson, secretary; and Don Parker, treasurer. With the help of our homeroom teachers—Mrs. Auman, Mrs. Willis, and Mr. Thompson—we did, however, have a slam-bang class party.

Our second year in high school was in many ways like our first. Our homeroom teachers that year were Mr. J. L. Stephens and Mr. C. N. Bostic; and our officers were Don Parker, president; Johnny Allen, vice president; Randy Eason, secretary; and Jean Stevenson, treasurer. The highlight of that year was the class Christmas party. A lucky few, in the roles of waiters and waitresses, enjoyed the Junior-Senior Banquet and Prom of that year.

Our junior year proved to be a great variation from our preceding years. We found we had two new homeroom teachers—Mrs. Singletary and Mrs. Hines; and our class officers were Randy Eason, president; Don Parker, vice president; Patsy Tart, secretary; and Brenda Parker, treasurer. Our many activities included Stunt Night and the Junior-Senior Prom, the theme of which was "Evening in Paris." This was our first year under the legendary Mrs. Louise Lambert, who showed us how to speak and write class histories correctly.

Our senior year was full of work for everyone; our various enterprises included annual sales, class rings, magazine sales, Class Night, and the New York trip. Our homeroom teachers were Mrs. Lambert and Mr. V. J. Tucker, and our officers were Douglas Strickland, president; Brenda Parker, vice president; Anthony McLamb, secretary; and Patsy Neighbors and Franky Blackmon, treasurers. We soon finished our high school career, and as we did so, many of our class members look back on the best years of their lives, some with joy and some with regret, but all looked to the future with anticipation to goals set during our high school years.

Our stay at Benson High has seemed long and tiresome, but the knowledge gained, the friends acquired, and the unforgettable experiences will always be valuable and dear to us—the class of '63.

Prophecy

Miss MARY LOUISE JONES, beautiful stage, screen, and television star, and Miss BOBBI WOODALL, world renowned Paris model, have just returned from their round-the-world trip, on which they renewed friendships with their former classmates.

The celebrities started their trip in Florida, where they talked with RAYMOND CLIFTON and ROBERT JOHNSON who are developing the Everglades into farmland.

Then they went over to Louisiana to see TIMOTHY LEE, celebrated football coach of L. S. U.

At Bowling Green Race Track in Kentucky the girls saw JERRY STANCIL, as successful jockey; and DANNY RAYNOR, an efficient horse trainer.

In Detroit, Michigan, they reminisced with DAVID WOOD, and were shown his prize-winning design for a new Pontiac. They also got in touch with JUDY LEE and ADA JACKSON, co-owners of a big department store.

In the nation's capital they were proud to claim Senator C. DOUGLAS STRICKLAND as one of their former classmates. Here they were invited to a gala party thrown by FAYE PARKER, a Washington hostess, and her husband, the Secretary of the Navy.

The travelers went on to New York to meet FRANKY BLACKMON, President of Westinghouse, Inc., and his secretary, LINDA WALLACE. After congratulating Miss ETHELENE MOORE, "Miss Luxembourg," they were taken on a tour of Union Carbide by the executive co-managers J. B. HAYES and BILL BRADLEY: and their secretaries, WILMA GOODWIN and CAROL PENNY.

Then on to Idlewild Airport, where they were surprised to see ANN PLEASANT and ANNA ADAMS as hostesses. They went into the cockpit of the plane to speak to the pilot OTIS WEST.

Soon the tourists arrived in London and checked in at the Grandbilt Hotel, owned by KENNETH PHILLIPS and KENNETH WEEKS. They stopped long enough to be entertained by the famous law partners, MIKE CANADY and DON PARKER.

In Norway, after they saw JERRY DON McLAMB and S. C. NEIGHBORS, heads of the Scandanavian Dairy Association, they visited the T. V. studios. There they were pleased to see DIANE SORRELL on her children's program, "The Miss Diane Show" and BRENDA PARKER on her show, "Homemaking Hints." The weary lasses relaxed at JOHN ALLEN'S swanky hunting and fishing resort.

After this rest they went on to see CHARLES LEE BYRD, a movie star, on location in Holland; RICHARD BEASLEY and KENNETH MOORE, race drivers in Holland's famous speedway; and PAM YOUNG, supervisor of nurses at the Brussels, Belgium, hospital.

In Germany the girls attended a reception for Nobel Prize winner, BOBBY BOAN, who developed a new solution of the Pythagorean theorem. There they were delighted to see CHARLES McDANIEL, bookkeeper-in-charge of Germany Motors, and his very private secretary, EDITH HARDEE.

Then on to gay Paree, where they saw LYNWOOD MASSENGILL inspecting his French headquarters of Massengill Van Lines. On the French Rivera, they found CHARLIE WOODALL and JOE NORRIS, now international playboys; RONNIE McLEOD, traveling companion for one of Confucius's wealthy descendants; and GLADYS and NANCY JOHNSON, comediennes appearing at one of the plush hotels. The American Secretaries' Union was having its annual vacation on the Riviera and with it were JUDY MORGAN, GAIL PEACOCK, BETTY SUE PLEASANT, and DORIS ALLEN, all successful and highly-paid secretaries.

The next stop on the agenda was Greece, where the tourists reminisced with PATSY TART, the N. B. C. chief foreign correspondent.

In Turkey they talked with ROBERT McLAMB, and EUGENE LEE, big cigar manufacturers, about their new odorless cigar.

From there they went to the royal court of India and visited the princess's tutor, PAT LANGDON. They also saw ANTHONY McLAMB, teaching modern agricultural methods to the Hindus.

In Japan they were greeted by BARBARA BYRD, Pulitzer Prize winner for her latest novel. She took them to a hospital in Hong Kong to see cancer researchists, DORA STEVENS and PATSY NEIGHBORS. Decked in the port were FREDDIE BENSON, WAYNE McLAMB, and RANDY EASON on their P. T. boat.

They stopped in Australia to see SUE RAYNOR, owner of an exclusive cheerleading camp.

The tourists went on to Africa especially to see PHYLLIS ALLEN, assisting her renowned husband in photographing wild game.

During their brief stop in Argentina they found STACY JOHNSON and JAMES GLOVER, livestock market chain operators.

As soon as they docked in California, they rushed to Los Angeles to see RONNIE ENNIS, star of the Dodgers.

The last stop on their trip was Las Vegas. They entered a lavish casino and found that CECIL MASSENGIL was the new owner.

After looking through their high school annual, Mary Louise and Bobbi were delighted to see that they had renewed acquaintances with all their old school chums.

Mary,
Good luck, to a smart girl. Success and fortune be yours with Sony or Chuck one whichever it may be. Stay as sweet as you are, and you'll go far. Well, that's all I know to say except that I-

Love ya,
Judy

Mary,
I know we've had lots of fun through the years and I hope we can have lots more in the future! Always be as sweet as you are and I know you'll have more "fellers" than anyone else! Don't forget me when you get your license!

Love ya!
Marilla

Mary Ann,
We've had a lot of fun this year. I've enjoyed being with you in all you're classes. Remember my P.J. Party? What a mess! Remember me when you get your license. I live on Pine Street. See you this summer.

Mary,

You've got a wonderful personality and I've enjoyed being with you these years that I've been here. Remember all those "wonderful" times we had in Glee Club. Lia! Lia! I know you'll have a ball when you get your license so you better not forget me. Good luck to you always and have a ball this summer

Love ya!

Ava

Mary Ann,

I can hardly wait until you get your license. You better ride me around because I know you do pretty good for a 15 year older. We've been good friends this year and I hope we will alway be.

"Maggie"

Helen,
you are a very sweet, nice, and cute girl. I have enjoyed knowing you these past years. Remember all the good times we have had? (Remember the SEE-SAW?) Music recidals and classrooms have been a pleasure with you. Best of luck to you and "him".

Beth

P.S. Is mine different?

Mary Ann,
Although I all but drove you crazy thing of all the fun we've had in English. My only regret is that I didn't run Mrs. Lee crazy. I wish you all the luck in the world in everything you do.

JB.

Mary Ann,

Best of luck always to one of the sweetest and certainly cutest girls I know. Thank you very, very much for the information and don't worry; I'll understand completely now! I have seen the light!

I hope you will not let your license or boys hinder your school work. After all, I learned this the hard way. Be good and I'm looking forward to our little date in the future! See you at the pool.

Love,

Charles J. (C.J.)

Mary Ann,

To a very sweet, cute, and innocent girl. Please stay this way and you will have Dreys after you until your 65 or older. Best of luck.

Barry Bostic

P.S. Can't wait till you get your license.

Mary Ann,

Even though I have known you for a short 9 months, I have grown to like but had to learn to understand "you freshmen". It has been one of the most enjoyable years being able to go out with you freshmen. May God bless and keep you forever an outgoing senior,

Kenny Phillips

P.S. you feeler is almost the best man that I have ever KNOWN

Mary,

I have truly enjoyed being your friend for a few years. I will never forget when we used to "fight" over Chuck. I didn't really say all of those things that people told you I said.

Remember all of those times when I spent the night with you. Don't forget when we picked up potatoes. Boy, Johnny looks good behind a mule.

A true friend,
Janet Adams
